Happy WORLD TEACHERS' Day

Amani A. Ahmad
PhD candidate and Cara fellow
at University of Edinburgh
Palestine

“ Erasmus was my bridge from Gaza to the world – a decade of leading projects, empowering women, and building hope despite conflict. It shaped my resilience and grew my global network. Today, as Gaza's universities are destroyed by war, I carry this experience forward in Edinburgh, dreaming of rebuilding education and creating an entrepreneurial future for Palestine. ”

كان برنامج إيراسموس جسري من غزة إلى العالم وعقد من الزمن في قيادة المشاريع، وتمكين النساء، وبناء الأمل رغم الصراع. لقد مثل مرونتي ووسّع شبكتي العالمية. واليوم، بينما أذكر جامعات غزة بفعل الحرب، أحمل هذه التجربة معي في إدنبره، خالمة بإعادة بناء التعليم وصناعة مستقبل ريادي لفلسطين.

Happy World Teachers' Day!

Today, we celebrate teachers across the Mediterranean who inspire, guide, and empower the next generation. Through Erasmus+, many have gained new skills, perspectives, and opportunities—enriching not only their own journey but also the lives of their students. Swipe through to hear their voices and discover how EU programmes are making a lasting impact in classrooms across our region.

Happy WORLD TEACHERS' Day

“ Teaching abroad through Erasmus isn't just sharing knowledge—it's exchanging cultures, ideas, and perspectives that inspire both educators and students to grow beyond borders. Erasmus teaching mobility for Palestinian scholars turns class meetings into politics and culture debates, where learning flows both ways and global understanding begin. ”

التدريس في الخارج عبر برنامج إيراسموس ليس مجرد نقل للمعرفة، بل هو جسر للتلفيق بين الثقافات والأفكار ووجهات النظر، حيث يلهم الأساتذة والطلاب على حد سواء، للتمو بلا حدود. ومع تنقلت التدريس لبرنامج إيراسموس، يدخل الأكاديميون الفلسطينيون فضاءات الدرس إلى فضاءات حوار في السياسة والثقافة، لتصبح المعرفة تبادلًا جليًا، وينتق من هنا فهم عالمي أرحب يفتح آفاق المستقبل.

رشا حمد

طالبة في قسم الرياضيات بجامعة النجاح الوطنية، خاضت تجربة تبادل أكاديمي في جامعة وارسو في بولندا ، وهي تجربة وصفتها بأنها “نقطة تحول في حياتي”. لم تكن التجربة مجرد دراسة أكاديمية، بل كانت رحلة لاكتشاف الذات والانفتاح على ثقافات متعددة.

تفاعلت رشا مع طلاب من خلفيات متنوعة، وعاشت أجواء أكاديمية غنية بالتنوع والحوار، مما وسّع آفاقها الفكرية والشخصية.

Rasha Hamed

A student in the Mathematics Department at An-Najah National University, participated in an academic exchange at the University of Warsaw in Poland, an experience she described as “a turning point in my life.”

The experience was not merely academic; it was a journey of self-discovery and exposure to multiple cultures.

Rasha interacted with students from diverse backgrounds and experienced a rich academic environment filled with diversity and dialogue, which broadened her intellectual and personal horizons.

وداد يونس

طالبة في كلية الاقتصاد بالجامعة الإسلامية في غزة، خاضت تجربة تبادل أكاديمي استثنائية في جامعة سابينزا في روما ، واجهت خلالها تحديات ثقافية وشخصية صقلت شخصيتها ومنحتها مزيداً من المرونة والاستقلالية.

انبهرت وداد بأساليب التعليم المتطورة في الجامعة الإيطالية، وتعلمت الكثير من بيئة دراسية تعتمد على الرقمنة والانضباط الأكاديمي.

ومن خلال مجتمع Erasmus+، كوَّنت صداقات مع طلاب من مختلف دول العالم، ما أغنى تجربتها الاجتماعية وبدّد شعور الغربة.

Widad Younis

A student at the Faculty of Economics at the Islamic University of Gaza, had an exceptional academic exchange experience at Sapienza University in Rome. During her time there, she faced cultural and personal challenges that shaped her character, enhancing her flexibility and independence.

Widad was impressed by the advanced teaching methods at the Italian university and learned a great deal from a study environment that emphasizes digitalization and academic discipline.

Through the Erasmus+ community, she also formed friendships with students from around the world, enriching her social experience and easing feelings of homesickness.

محمد حامد

خريج ماجستير اقتصاد من جامعة بيرزيت، خاض تجربة تبادل أكاديمي في جامعة بوتسدام بألمانيا في نيسان 2023.
